PROVISION OF INTERNET SERVICES FOR AFRICAN COMMISSION ON HUMAN 
AND PEOPLE’S RIGHTS (ACHPR)

Background & Objective
The African Commission on Human and Peoples’ Rights (ACHPR) at 31 Bijilo Annex Layout, 
Kombo North District, Western Region, The Gambia requires an Internet Service 
Provider (ISP) who will provide Internet services that meet its minimum requirements. With 
over 50 end users and increasing, who use laptop computers and mobile devices to access 
the internet for purposes such as Cloud applications, Live-Streaming and Internet browsing.

1. Capacity requirement: symmetric dedicated 20.0 Mbps bandwidth connection 
should be cable type, preferably fiber-optic; Wireless solutions may be considered. The 
service should to be highly stable and reliable. The successful service provider will 
have to provide 7x24x365 coverage for technical assistance and/or helpdesk facilities.

2. Period of Performance
The contract will be signed for an initial period of 12 (twelve) months and renewable 
subject to provision of satisfactory services. If the contract is renewed, the price will be 
renegotiated to assure value for money.

3. Technical Requirements
